Handbook of Miniature

ORCHESTRAL AND CHAMBER MUSIC SCORES

Complete List of Published Miniature Scores with a
THEMATIC LIST
of Classical Orchestral and Chamber Works.

Preface by SIR HENRY J. WOOD

Price, 1s. post free.

NO music-lover should be without this Handbook, which is not only a complete catalogue of published miniature scores of orchestral and chamber music of all schools and countries, but a valuable guide through the whole literature of such music. The copious thematic list is a particularly valuable feature of the booklet, while Sir Henry J. Wood's preface imparts to it, as it were, an official sanction as a serious and trustworthy publication.
